Description

Do you covet a deeper tan? Then Flawless Darker is the perfect product for you! The darkest tan in the range combines the gorgeous black coconut scent of Flawless, with three new tan boosting ingredients to make the tan even deeper and longer-lasting.

This product comes with a mitt in the box!

The Know How

Fake Bake Flawless Darker Self-Tan is a pioneering product that boasts the tropical scent of the company's bestseller, with new ingredients that not only deepen your colour, but also help your tan to last even longer. Three natural carriers allow for a higher concentration of naturally-derived tanning agent DHA, which deepens the self-tan color, while Ethoxydiglycol helps to prolong the tan. The fast drying, fast absorbing formula also ensures ease of application. Includes application gloves and step-by-step application advice.

Tanning Perfection Directions

- Shake gently before use
- Always wear waterproof gloves and professional mitt when applying
- Prior to applying to elbows, hands, knees and feet we recommend the use one

of our oil free moisturising products

- Spray small amounts of liquid onto soft side of the mitt and apply

in gliding strokes to the body

- Lightly glaze over elbows, hands, knees and feet
- Bend elbows and knees when applying
- Rinse off guide color with warm water after development time
- Re-apply once a week and use Fake Bake maintenance products to extend
